Lalaga is a Samoan term that means 'weave' or 'weaving'.

It illustrates the connections staff and students endeavour to strengthen and develop over their time at Kedgley.

Although the concept is now embedded as an underlying principle of the school and is the centre of everything that we do, Lalaga is scheduled from 8:45am to 9:15am Monday, Wednesday and Friday.

CORE LEARNING

KIS students engage in robust literacy and numeracy programmes every day.

EXTRA CURRICULA

KIS students have the opportunity to engage with activities outside the classroom in sports, arts and culture & leadership.

LEARNING

It is the Board of Trustees' policy that all electronic devices are handed in at The Nest before 8:45am and may be collected at the end of the school day.

The school will not take any responsibility for electronic devices that are not handed in at The Nest.

Any electronic devices that are found in a student's possession during the school day will

be confiscated and kept at reception until a parent/caregiver comes to collect it.

PERSONAL DEVICES

We have an open-door policy and encourage you to visit the school to speak to us about your child's learning and safety.

However we do have a duty of care to our students and that involves knowing who is onsite at all times. Please sign in at reception when visiting the school.

VISITORS AT KIS

Please contact reception whenever your child is absent from school.

Absences can be reported by:

- the school website
- calling the office
- sending a note to your child's teacher
